If money were no object, in the next 6 months I would like the club to host this type of event:

**Expectation Assessment:**

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
I am interested in a position as the Pres., V.P., Sec. or Tresurer.					
I am interested in participating in one of the committees.					
I would contribute 2 dollars or less to rent a public location for monthly meetings.					
I am beginning to write, looking for ideas in the waves off Pleasure Point.					
I am in the middle of writing a first draft, with characters, a plot and a setting, more or less.					
I have revised the same copy 50 times and am screaming for mercy.					
I'll be your best friend if you'll be my agent.					
I've been there, and survived. My publications flourish.					
I'm self-published. So there! Pffft!					
I have more rejection emails than you do.					

**Meeting interests:**

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
I am interested in hands-on workshops.					
I am interested in listening to presentations by published authors.					
I really need professional help, but this meeting is much cheaper.					
I would like to hear about other writing groups and resources in Santa Cruz.					
I am interested in what advice an agent would give me.					

**I write in these Genres:**

	Strongly Disagree	Disagree	Neutral	Agree	Strongly Agree
Non-fiction					
Memoir					
Screenplay/Scripts					
Mystery					
Action/Thriller					
Romance					
Police Procedural					
Sci Fi/Fantasy/Manga
